THE SMARTEST WAY TO CLEAN

## STAIN REMOVER dissolves and extracts....

Dissolves & extracts most kinds of spots and stains. Works on all types of colourfast fabrics and weaves.

**STAIN REMOVER** is also very effective on hard surfaces such as vinyl, leather, metal, glass etc

**STAIN REMOVER** effortlessly tackles Crayon, Shoe Scuff Marks, Daily Grime, Blood, Grease, Tea, Coffee, Kitchen stains and much, much more.....

With That'sAwesome **STAIN REMOVER**, there isn't any sticky or wet detergent **RESIDUE** to cause re-soiling after you have applied the product. Use undiluted and do not saturate the treated area. It's important to always spray a small area and wipe one way then the other

**(IMPORTANT: Do not rub hard in circular motion!!!!)**

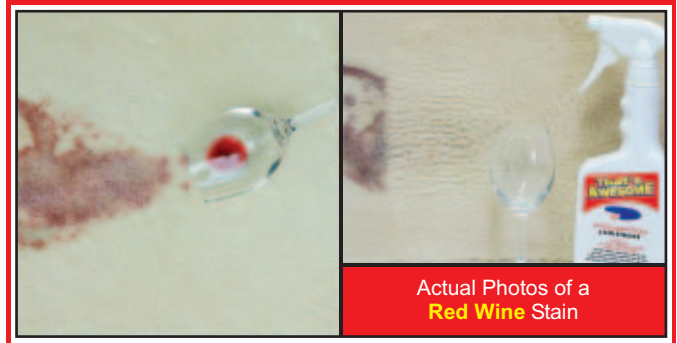

Please also note that **STAIN REMOVER** cannot replace migrated colour, reverse dye change or restore fibres or any other surfaces which are damaged.

To get the best results using **STAIN REMOVER**, before attempting to clean **Any Spillage** it's **VITAL** that the following Steps are stringently adhered to:

- Step 1.** Blot up and remove as much of the surface moisture as soon as possible.
- Step 2.** With highly absorbent cloth or paper towel, continue pressing downwards on the affected area until touch dry.
- Step 3.** Once the Stained area has adequately dried (even overnight or longer) apply **STAIN REMOVER** as per the bottles instructions and start cleaning from outer edge then gradually work toward centre until stain is removed.

### **IMPORTANT:**

Never try to remove stain completely out on first application. Repeat if necessary and follow instructions on bottle.

**STAIN REMOVER** cleans Car Interiors, Roof-Linings, Seats, Glass even Tar & Bugs on paint work all with out any damage. **(IMPORTANT: Spray small areas ONLY, do not allow to dry)**
